Littlefield-Wyman Nurseries

NORTH ABINGTON, MASS.

LITTLEFIELD-WYMAN NURSERIES

OUR FORTY-FIFTH YEAR

MAIN OFFICE AND GREENHOUSES

423 Adams St. Route 58 North Abington, Mass. Tel. Rockland 1200

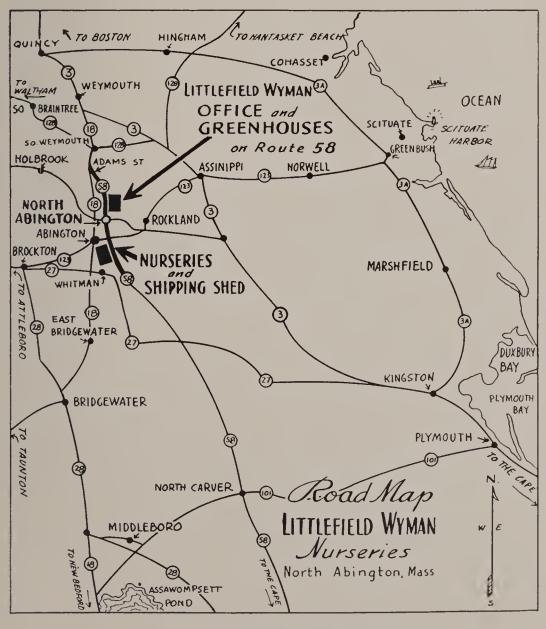

NURSERY AND SHIPPING DEPT.

227 Centre Avenue, Abington, Mass. Route 123

Opposite Abington Station of N.Y., N. H. & H.

WE GUARANTEE (1) That our stock is true to name. (2) That it is vigorous and healthy at time of shipment. (3) That it will survive the transplanting period.

We will replace, F. O. B. our nurseries, any stock not meeting these three tests provided the account is paid within thirty days of invoice date and such failure is reported within ninety days of purchase.

Index on inside back cover

LLOYD A. HATHAWAY

The combined experience of these five men represents over 90 years of actual practical planting experience.

Our co-operative efforts are at your disposal for an artistic yet practical and individualistic solution to your planting problems.

J. L. Scofield Harold C. Cowell John P. Rogers

EVERGREEN TREES

Firs

HE Firs grow tall and pyramidal, preferring moist, well drained soil. Very symmetrical with softer foliage than the Spruces.

Per 10 Per 100 Each

ABIES concolor

White Fir

Beautiful, stately; foliage dark green to silver blue.

Hemlocks

The Hemlock has always been one of our specialties. Of better color and more compact than those usually offered, they must be seen to be fully appreciated.

Azaleas

Our Azaleas are all NURSERY GROWN. Frequent transplanting and careful pruning produce fibrous roots and heavy tops which cannot be compared with collected stock, so frequently offered at bargain prices.

Here is a fine example of a medium priced, well built house perfectly set off by a foundation planting of evergreens. This is an actual planting that our expert designers laid out and executed. It is one we recommend as an all evergreen planting for this type of home.

We believe the above to be the last word in a foundation planting for a house of this character. Notice the use of the broad leaved evergreens mixed with the coniferous and how the tall columnar arborvitae frame the bay window. It is an excellent example of an individualized planting. May our experts plan one along similar lines for you?

Hardy Perennials

As the best effects are usually obtained by planting Perennials in groups of not less than three, we are offering them in that quantity, rather than singly. If only one plant is desired, the price will be one-third the rate for three.

Please note that five or more plants will be priced at the ten rate, and twenty-five or more at the one hundred rate.

Varieties marked with an asterisk (*) are especially adapted for the Rock Garden.

Key to abbreviations used for color, height and period of bloom:

B-Blue, P-Pink, R-Red, W-White, Or-Orange, La-Lavender, Pu-Purple, Vi-Violet, Y-Yellow.

Ap-April, My-May, Jn-June, Ju-July, Au-August, Se-September, Oc-October.

Example:

Achillea ptarmica—W-2ft.-Au indicates white flower, grows two feet high and blooms in August.

Special Mixture Lawn Seed

The finest general purpose mixture containing deep rooting perennial grasses with Creeping Bent. Can be furnished with or without clover as desired.

5 lbs. \$2.50 10 lbs. \$4.50 1 lb. \$.60

Special Seed Mixture

A carefully prepared mixture of shade tolerant grasses. Produces lasting turf in shaded locations. Weed free.

1 lb. \$.75 5 lbs. \$3.25 10 lbs. \$5.75

Sow grass seed at the rate of 6 lbs. per 1000 sq. ft.

BUELL

Peat-Poultry Manure

BUELL FERTILIZER COMPANY

10-6-4 The finest all-purpose lawn fertilizer available. Made up to our specifications. 50% organic. Apply at the rate of twelve pounds per 1000 sq. ft.

100 lbs. \$4.50 ton lots \$80.00

7-7-5 For trees and shrubs. Another mixture blended to our specifications.

100 lbs. \$4.25 ton lots \$75.00

Bone meal. All purpose fertilizer especially good for roses, perennials, etc.

2 in 1 Peat and Poultry manure. Combination of peat and poultry manure. Fine for lawns.

50 lb. bag \$1.50 10 bags \$12.50

Peat Moss

The best mulch for Rhododendrons or broadleaved evergreens of any type. Work in thoroughly around the roots and cover the surface at least ½ inch deep to retain moisture and keep weeds down. Peat is ideal for covering shrub beds. It may be used as a very light mulch on flower beds, also.

Large 20-bushel bales \$3.75 each; \$35.00 per 10

Terms

Our terms are cash or, upon approval of credit, 30 days net, f.o.b. Abington, unless otherwise arranged.

All prices are subject to change without notice, and to any increase caused through Government Legislation.

Shipping Directions

Please state clearly how you wish your shipment forwarded. All shipments go forward collect, unless previous arrangements have been made. If no route is designated, we will ship as we think best. Damages in transit should be taken up immediately with the carrier, and notification sent to us.

Clean Stock

Our stock is all government inspected, and a certificate of inspection accompanies every shipment.
